EXPERT LED INTERACTIVE WORKSHOPS

Engage directly with top educational experts and guest speakers in transformative live workshops.

ISO CERTIFIED AND INTERNATIONALLY RECOGNISED CERTIFICATION

Receive a globally recognised certificate upon completion, validating your expertise

ACTIVITY-BASED LEARNING

Apply what you learn through practical activities and real-world teaching scenarios.

CUSTOMIZABLE LEARNING PATHWAYS

Choose between attending live sessions or accessing flexible, self-paced learning options.

SKILLSTRAT CONSULTING PVT. LTD.

PANCHHAADI PEDAGOGY

Master the 5-step structured learning framework – Aditi, Bodh, Chintan, Abhyas, Prakash – to enhance structured, experiential, and competency-based learning aligned with NCF 2022

ASSESSMENT-EMBEDDED LEARNING

Integrate formative, summative, and performance-based assessments seamlessly into teaching, ensuring visible learning and meaningful feedback.

ARTIFICIAL INTELLIGENCE

Harness the power of Artificial Intelligence to personalize learning, automate assessments, and enhance student engagement. Learn to integrate AI-driven tools and adaptive learning platforms to create efficient, data-driven, and future-ready classrooms.

CERTIFIED SEL COUNSELOR

Earn a recognized certification in Social-Emotional Learning (SEL) to support student well-being, emotional intelligence, and mental resilience. Gain expert skills in behavior management, psychological safety, and student counseling to create emotionally supportive learning environments.

GROWTH MINDSET

Empower students to embrace challenges, build resilience, and develop a love for learning with research-backed strategies for fostering a growth mindset.

CHATGPT FOR TEACHERS

Leverage AI-powered tools like ChatGPT to automate lesson planning, personalize assessments, and enhance student engagement.

CREATIVE THINKING

Unlock your students' potential through imaginative thinking and problem-solving exercises including activity-based teaching methods, storytelling and gamification techniques.

CRITICAL THINKING

Foster critical thinking skills with techniques that encourage students to critically evaluate information, cultivate scientific temperament, curiosity, and enhance metacognitive abilities.

SELF MANAGEMENT

Equip yourself with strategies to manage your emotions and actions effectively, enhancing classroom dynamics.

COMMUNICATION

Master the art of verbal and non-verbal communication to create an inclusive and engaging learning environment using NLP techniques.

COLLABORATION

Master collaborative learning strategies to deepen understanding and enhance group engagement with cutting-edge classroom techniques.

DESIGN THINKING

Learn to apply design thinking to foster innovation in teaching and curriculum development. This method enhances student engagement and promotes creative problem-solving in educational settings.

LEADERSHIP & TEAM MANAGEMENT

Develop strong leadership skills to inspire, guide, and manage teams effectively in educational settings. Learn collaborative decision-making, conflict resolution, and strategic planning to create a high-performing and motivated team culture.

EXPERIENTIAL LEARNING AS A TEACHING METHOD

Explore Kolb's Experiential Learning Model to create dynamic learning environments where students actively engage in applying theoretical knowledge.

STORYTELLING & ART BASED LEARNING

Enhance learning through storytelling and creative arts to make lessons engaging, immersive, and memorable. Learn to integrate visual arts, drama, music, and digital storytelling to foster deep understanding, creativity, and emotional connection in students.

NEP 2020 ALIGNED LESSON PLANNING

Implement various assessment types including formative, summative, and metacognitive assessments to continually measure and enhance student learning outcomes.

EMERGING EDUCATIONAL TRENDS

Stay ahead with the latest innovations in education technology, teaching methodologies, and curriculum development impacting modern classrooms.

NEUROEDUCATION AND MICROLEARNING

Combine insights from neuroscience with microlearning techniques to create compelling, brain-friendly learning experiences for diverse learner needs.

LEADERS IN LEARNING

Develop leadership acumen and strategic foresight necessary for spearheading educational transformations. This module enhances decision-making skills, promotes strategic and system thinking, and teaches you to manage change within educational institutions, preparing leaders to shape future learning environments.

MARKETING MASTERY FOR YOUR SCHOOL

Gain expertise in modern marketing techniques specifically tailored for educational settings. Learn to craft compelling narratives, and engage community stakeholders to boost your school's profile, increase enrollments, and build lasting relationships with parents and the community.

INTEGRATED LEARNING

Create inclusive, flexible, and accessible learning experiences by integrating differentiated instruction, adaptive assessments, and multisensory teaching.

CLASSROOM MANAGEMENT

Master effective strategies for managing diverse and dynamic classroom environments. This module emphasizes establishing clear rules and fostering an inclusive atmosphere that supports all students.

PERSONAL BRANDING

Enhance your professional visibility and influence as an educator. Develop your personal brand to effectively communicate your educational philosophy and connect with a broader network.
